WHEELERS CYCLE CLUB

## Cycling Fever Hits Lincoln

Lincolnshire hosted the British National championships with some of the wheelers getting involved in some of the action riding the sportive, the crit or just lending support to the many riders competing to be national champion. The Time Trial held at Cadwell Park was won by Hayley Simmonds and Alex Dowsett while the road race finishing up the top of Michealgate was won by Lizzie Armistead and Peter Kennaugh. However they won with an understrength field missing the likes of Sean Hunt, Euan Adamson and new 100 mile trike national champ Andy Newham. Here are some of the pictures of the Wheelers enjoying the events.

A big thank you goes out to all that helped and gave prizes for our raffle. Biggest laugh of the day came when I called Andrew Whitehead for his prize as first Yorkshire Pudding in the event. Watch out next year i'm looking at raising even more money.

### A National Champ in our Midst

He will be too modest to tell us this but Andy Newham won the tricycle national championship for 100 miles with a time of 4 hours 51 minutes and 4 seconds. He beat 2<sup>nd</sup> place by nearly 35 minutes. Congratulations Andy on a fantastic season on trike and Bike.

### The Summer Leagues

Sean Hunt will be Rider of the Season champion again but Billy Jarish has certainly given him something to think about for next year beating him in the last 2 10 mile time trials. Sean still leads the scratch league with Noone and Jarish challenging with 3 Ingham 10's to go. Neil Winter and Graeme Patchett complete the top 5. Graeme Patchett is just holding on to the handicap league with John Noone and Sean Hunt in very close attendance.

Unfortunately in the Interclub we were seen off by the Gainsborough team in both scratch and handicap.
